Interim On-Line Edition Fall, 2008

Another Great Fall Day for the Bean Bash!

It was coming, it was upon us, it came, and it went!

Yup, it's Autumn again, and there'll soon be a new mayor in Rabbit Hash!

Bean Bash '08 was GREAT!

There was live music, Texas Hold-em, corn hole, the three Silent Auctions, the Kid's Games & Activities Room, and the BIG Auction! And, of course — all the bean soup you could possibly want, and a whole bunch of happy human beans!

Please see the "Events" pull-down for more Beanish info!

Burlington Spring Horse Show

The Annual Burlington Horse Show will be Friday evening and all day Saturday of Memorial Day Weekend at the Boone County Fairgrounds, drawing entrants from throughout Kentucky and many other states.

We also have a Dog Show with several classes.

This event is great family fun with something for everyone!

BAWAC will need volunteers to work the admission gates, concession stand, and Dog Show. Sponsors for all of the events will be needed.

If you can help or want additional information, please give us a call!

BAWAC is honored to again be chosen to partner in presenting the show and to be the recipient of the proceeds from the weekend.

**And for those of you who want to
"GO GREEN"**

Don't forget about our Annual Golf Outing in June!
